Circle of Return Veterans Council from 1:00 to 2:30pm (Link)

VeteranRites calls active duty and prior service members of all generations to step in to the Veterans Circle of Return, where we return to deep solidarity with one another through conversations that get to the heart of the matter.

Seward Park Conservation from 2:30 to 5:00pm

After our circles we are combining arms with Seward Park Audubon and The Mission Continues for consistent conservation opportunities that reenlist our veterans to support our lands, our feathery friends, and most of all, each other.

Participants are invited to join Veteran Circles (Adults Only) and Conservation projects (Family Friendly) independently or together as we return to solidarity.
